The Mattress

- This no turn mattress features a ReActive™ 12 pocket spring system. Every ReActive™ spring has 12 active turns – each spring independently senses your shape and weight distribution for relaxing and energising supportive comfort.
- Upholstered with naturally soft and breathable layers of British wool, luxurious Hair, finest Cashmere and Talalay Latex, then covered with Cocona infused Belgian Damask, made with the fibres of coconut husks to quickly wick away moisture.
- Available in medium tension only.
- Tailored with 3 rows of genuine hand side-stitching for edge-to-edge support, and hand tufted for longevity.
- An upholstered headboard and divan base will also create a truly stunning and individual bedroom centrepiece – with the option of practical storage too.
